

Dear Mr. Sumner:-

My Mother is making
me a gift of your book of songs so
I am sending for that immediately.
You will find the money order
for a dollar and a half enclosed.
I am anticipating much pleasure
from acquaintance with the songs.

Dear Mr Summis:

Being a native
daughter of the Golden West and
a singer (Dramatic Contralto) I
am doubly interested in the
"Old songs of California" and hope
you can spare me a copy
which Mr McGroarty says are
now in print and to be
had from you. I am sure

there is no one who could do
this work any better than you
as one must live with songs
to know and love them.

Hoping to hear from you
-and if there is a monetary
obligation to be advised.

Sincerely
Marion Ramon Wilson
